

AP 353 – SECONDARY CREDIT REQUIREMENTS

BACKGROUND

Saskatoon Public Schools expects that, whenever possible, students in secondary school shall take the equivalent of eight or more credits in each academic year.

PROCEDURES

1. The credit acquisition of individual students shall be reviewed regularly by the principal or designate in order to identify students who need supports with on-time graduation.
2. Collegiate staff will hold twice annual meetings to identify students who are not meeting requirements for courses in which they are enrolled, and identify supports to aid the success of those students.
