

SAGE Grades 5 & 6 - School Supply 2025/2026

Dear Parents/Guardians,

To help your child start the year well-prepared, we will be collecting a **school supply fee**:

- **Grade 5 - \$70.00 - (Includes Sketchbook)**
- **Grade 6 - \$60.00**

This fee covers individual and shared supplies that will be provided directly in class. Purchasing in bulk allows us to ensure quality, consistency, and savings for families.

The supply fee covers a wide range of classroom materials, including basic stationery, writing tools, sketchbooks (grade 5), rulers, calculators, notebooks, and an agenda. Some items will be for individual use, while others will be shared among students as needed throughout the year.

In addition to the supplies provided by the school, **we ask that each student bring the following items from home:**

- **Indoor runners** (to be left at school and worn indoors only)
- **Backpack**
- **Washable markers**
- **Pencil crayons**
- **Scissors**
- **Two pencil cases** (large enough to store both pencil crayons and marker)
- **Headphones** with a small built-in microphone (kept at school in a Zip-lock bag)
- **A computer mouse** (Optional)

If you have any questions about the supply fee or the additional items to bring, please feel free to reach out. Thank you for your support, and we look forward to a great year ahead!

Sincerely,

Mr. Walker and Mrs. Breckon
