## Principal's Message

**Happy New Year!** We hope you had a wonderful winter break and enjoyed time with family and friends—even if the snow kept things interesting!

January is always a busy month as we wrap up semester one and prepare for final assessments. **End-of-term assessments will take place January 20–23**, and students are required to attend all scheduled sessions. Please note that **Wednesday, January 21** will follow a modified schedule to accommodate two exams.

Looking ahead, students will soon be able to access their **semester two classes on Edsby**. Our counselors are working diligently to ensure schedules are accurate. If you notice any errors or require changes, please reach out to Student Services.

**Course selection for next year** will begin in February and continue through March. To support this process, we've developed a new **Course Selection Website** for students. Grade assemblies will be held in early February to guide students through the site and help them make informed choices. Parents are invited to join us for an **information night on Tuesday, January 13**, where we'll share strategies for supporting students during course selection. Grade 9–11 students will receive in-class support from counselors and administration for their class selection.

For families with **Grade 8 students**, mark your calendars for our **Annual Open House on Wednesday, February 4 at 7:00 PM**.

Our winter sports season is in full swing! We deeply appreciate the time, energy, and commitment of our staff who make extracurricular activities possible, as well as the hard work of our students and the ongoing support from parents and the community.

Thank you for your continued partnership in creating a vibrant school community. Wishing you health, happiness, and success in the year ahead!

Jay Harvey  
Principal

# HERTZ NORTHERN BUS RIDERS

## ON THE WAY TO SCHOOL

**Parents/caregivers are responsible for children until they board the school bus on the way to school.** Families should have an alternate plan in place in the event the school bus does not arrive at the scheduled time. Buses may be late for many reasons including road conditions or vehicle failure. In some cases, a bus may not be able to complete its run.

**Please ensure your children know and are familiar with your alternate plan.** If parents believe there is a risk of harm before their child gets on the bus (for example, severe weather), it is the responsibility of parents/caregivers to arrange for a safe way for their child to meet the school bus or seek alternate shelter.

**If the bus is late,** the student should wait 10 minutes and then return home. For up-to-date information call the Hertz Northern Bus information line at (306) 374-4777. Unless Hertz Northern Bus provides other directions, the student should return to the bus pick-up location one hour after the original pick-up time. For example, if the original pick-up time is 8:15 a.m., the adjusted pick-up time would be 9:15 a.m.

## ON THE WAY HOME

**It is the responsibility of the parent to ensure there is appropriate supervision after Hertz Northern Bus drops off the children at their regular bus drop-off location.** It is expected that parents/caregivers of kindergarten to grade two students meet the bus each day. Parents/caregivers must have appropriate supervision plans in place once the children are dropped off by the bus.

## BUS ROUTE DELAY AND CANCELLATION INFORMATION

Hertz Northern Bus provides online updates about bus route delays and cancellation on its website at <https://hertz.mybusplanner.ca>. On the Hertz Northern Bus website, click on [Alerts](#) to view information and sign up for email alerts on the Parent Portal by creating an account. Wheelchair transportation is automatically cancelled for the entire day when the [Environment Canada website](#) reports a temperature of minus 40 degrees Celsius or lower (with/without windchill) at 7:00 a.m.

Hertz Northern Bus school buses are automatically cancelled for the entire day when the [Environment Canada website](#) reports a temperature of minus 45 degrees Celsius or lower (with/without windchill) at 7:00 a.m.

A notice will be posted on the division website if all buses are cancelled for the day. Note that schools remain open.

Visit <https://www.spsd.sk.ca/severe-weather> for additional information on severe weather procedures for schools and student transportation.

## Elf Jr. – The Musical Delivers Holiday Cheer

Marion Graham's production of Elf Jr. was a wonderful success, delighting audiences with lively performances, festive music, and colourful costumes. The cast and crew's hard work and enthusiasm shone on stage, creating a joyful experience for all who attended. The show was a proud moment for the performing arts program and a perfect way to celebrate the season.

## Marion Graham Traffic Concerns

Numerous families have connected with the school to voice their concerns regarding the crosswalk on Lenore Avenue across from Cypress Ct. They have witnessed multiple incidents in which students were nearly hit by cars when other vehicles stopped to allow pedestrians to cross the road.

As a result, Mr. Harvey has made an announcement to the student body to highlight this issue and have communicated with the City of Saskatoon about our concerns. If you happen to have other concerns about traffic around the school:

- Please let us know the details so that we can follow up on the incident, and
- Reach out to the City of Saskatoon so that it can be officially logged with them as well.

Thanks for your help in keeping our community safe.

## Falcon Wrestling Update

The Falcon Wrestling Team will host the St. Joseph High School on Thursday, January 15, 2026, for an exciting wrestling dual beginning at 1:00 p.m. in the gym.

The team with the most points at the end wins the dual. Both the Girls' and Boys' Teams will be in action, followed by exhibition matches after the main event.

The Falcon Wrestling Team has a full competition schedule leading up to the Final Assessment Break. Following the break, the team will shift focus to preparation for a Calgary tournament in early February, as well as key city championship events, including Quad Dual City Championships, Junior City Championships, and the 2026 City Championships.

### Upcoming Events

Attendance is very important. SGI allows THREE excused absences only (i.e. sickness and funerals); notice must be given to the instructor. Extended holidays are not excusable. If you are involved in school activities during certain lunch hours, be sure to discuss that with the Driver Instructor on the first day of class.
