[Centennial Collegiate](#) is proud to welcome athletes, coaches, families, and fans to the 2025 Charger Charity Classic—an exciting early-season senior basketball tournament with a powerful community purpose.

This year's event continues the successful expansion to both boys' and girls' brackets and celebrates the tournament's long-standing tradition of combining high-level basketball with meaningful philanthropy. All proceeds from the tournament will be donated to the [Jim Pattison Children's Hospital Foundation](#). Since its inception, the tournament has raised over \$30,000 for this cause, making a meaningful impact in the community.

The Charger Charity Classic has been an annual event in Saskatoon for over 15 years. The vision of organizers is to create a unique competition that brings together top teams from across Saskatchewan. Thanks to the leadership of founder Kory Dawe, this year's tournament chair Trevor Mirtle, and an exceptional team of educators, staff, and students, the event has grown into a cherished annual community celebration.
