Saskatchewan IB Day brings students and educators together at Wanuskewin

For immediate release: September 29, 2026 – 7:45 a.m.

Students and educators from International Baccalaureate (IB) schools across Saskatchewan will gather at Wanuskewin today (September 29) for Saskatchewan IB Day, a provincial event focused on learning, Indigenous perspectives, and the role of education in building connections across communities.

Saskatoon Public Schools is pleased to partner on the event, hosted by the International Baccalaureate Organization and the Prairie Association of IB World Schools. Bedford Road Collegiate and Aden Bowman Collegiate are members of the association and offer IB programming.

Under the theme “*Saskatchewan: Honouring Place, Sharing Perspectives, Cultivating the Future*,” the morning event will bring together students, educators, Elders and IB representatives for performances, presentations, and learning. The event will highlight what IB education looks like in Saskatchewan while exploring the importance of place, diverse perspectives, and Indigenous ways of knowing.

EVENT DETAILS:
